St. John Paul II's Theology of the Body is changing lives around the world through its positive portrayal of human sexuality as a good and essential part of love and life.

The *Theology of the Body for Teens* brings this exciting teaching into a practical format that teens and preteens will enjoy and understand. Join us for this timely and important training where you will be introduced to the Theology of the Body as it specifically relates to teens.

Theology of the Body for Teens answers questions such as:

- Who am I?
- What is the purpose of the Theology of the Body?
- What is the difference between love and lust?
- What if I've already "messed up"?
- How can I discover my vocation?
- How can I remain pure in our oversexed culture?

... and many more.
