## FRIDAY NIGHT FEBRUARY 24

### I Am Not Being Fed Discovering the Food that Satisfies the Soul

In this dynamic talk, Jeff Cavins explores some of the reasons why so many have left the Catholic Church for evangelical Christianity. He responds to the most commonly heard complaint of these former Catholics – that they simply are not being “fed” by their Church. As he presents the story of his own return to Catholicism, Jeff builds a case for the unique character of the Catholic Church as the Church founded by Christ.
