THEOLOGY OF THE BODY FOR TEENS
FOR A NEW GENERATION

Sponsored By: Diocese of Springfield in Illinois.

The world is a challenging place for teens. It has become increasingly difficult for parents and educators to help them discover the truth about their bodies, sexuality, and unique call to love.

In an age of “selfies,” YOU: Life, Love, and the Theology of the Body cuts through the noise with an authentic view of the human person.

YOU introduces teens to the truth that life is not all about them; it is about going out of themselves to be a sincere gift for others.

Join us for this important training, where you will be introduced to the Theology of the Body as it relates to teens.

• Teens will learn the Theology of the Body and how to live in authentic freedom, love, and happiness.
• YOU provides the tools to navigate teens through challenging topics, including gender, pornography, and same-sex “marriage.”
• Teens will learn what healthy relationships look like and how to live a life of sacrifice and discipleship.
